ANTIOCH, ILLINOIS, THURSDAY, JUNE 20, 1946

FIRST IN RESULTS TO ADVERTISERS

NUMBER 46

## Antioch Grade Summer Recreation Program Will Begin June 24

Antioch grade school annual summer recreation program will open next Monday, June 24, according to announcement made this week by the recreation committee. The program will run a total of six weeks, ending on August 2.

Lucille Whitacre will act as director for the program and will stress outdoor activities, the only indoor activities to be featured will be when the weather makes use of the school grounds impossible.

Pre-school age children as well as those of the 1st, 2nd, and 3rd grades will report at the school grounds during the mornings from 10:00 a. m. until 12 noon, and children of the 4th to 8th grades will attend the afternoon session from 1 p. m. until 3:30.

The recreation committee of the PTA, composed of Henry Rentner, H. E. Cardiff and Mrs. T. R. Birkhead, has raised sufficient money through entertainments of various sorts to make the program possible again this year, after a lapse of one year, as no summer program was sponsored last year.

Mrs. Whitacre announces that all children of the community are welcome to attend the sessions.

## Chicago To Become Air Center of World

Passengers now arriving and departing from the Chicago Municipal airport at the rate of 287 per hour on scheduled flights about the nation and to foreign lands give an excellent index to Chicago's increasing position in world aviation.

As one of the world's busiest airports, the Municipal landing field is now handling 6,893 scheduled passengers a day on the basis of 352 flights during a 24-hour period, according to figures given the territorial information department of the Public Service Company of Northern Illinois by John Casey, airport manager.

Passenger traffic is increasing by leaps and bounds, and a study of the situation indicates that international air travel and the expansion of domestic air lines in 1946 will nearly double the 1945 figure of 1,496,634 passengers. In fact, the first five months of 1946 already show an increase of 80 per cent.

Five months of the current year found the nine commercial air lines on scheduled operations landing or taking off 43,595 planes with 829,457 passengers. In the same reporting period of 1945, the figure was 30,636 flights and 462,569 passengers.

In January of 1946, the traffic was 125,273 passengers but by May the figure had increased to 213,674.

Applications have been made to the city of Chicago for 60 per cent more hangar and terminal space than there is land available, the territorial information department learned. TWA, United, American, Eastern and Delta air lines have earmarked more than \$4,000,000 for expansion of facilities. In addition, a new terminal building to cost more than \$1,000,000, exclusive of restaurant facilities, is now under construction. Maintenance and construction of runways will costs an additional \$71,000 in 1946.

Present congestion at the Municipal airport will be relieved to some extent when freight, charter and private flight operations are transferred to the planned \$50,000,000 Douglas airport.

Douglas' total area will be expanded to 4,846 acres under present plans. Some idea of the size of the proposed super-port can be gained from present airport statistics. Moisant International airport now in operation. It embraces 1,360 acres and is said to be twice the size of LaGuardia field in New York, twice the size of the Chicago Municipal airport, which is 620 acres, and 500 acres larger than the National airport at Washington, D. C.

Eventually, it is planned that all scheduled passenger services will operate out of Douglas airport, at which time freight, charter and private operations will be transferred back to the Municipal airport. A superhighway from Chicago's loop to the Douglas field will speed traffic to and from the airport.

## Lake County 3rd In State In Bond Purchases In May

Lake County residents purchased \$574,396 worth of "E" bonds during the month of May 1946 to hold third place in the state for the month. Lake was topped only by Cook with purchases amounting to \$18,518,881, and by Peoria with \$644,810.

Total purchases of all types of bonds in Lake county amounted to \$801,875.47. Total purchases of all types of bonds in the state amounted to \$48,251,840.10.

## Harry Krueger, Jr., Awarded B. S. At Northwestern U.

Harry Krueger, Jr., son of Mr. and Mrs. Harry J. Krueger, of Linden Lane, Antioch, was awarded a Bachelor of Science degree at the graduation ceremonies at Northwestern University Wednesday, June 19. The degree was conferred in connection with the business administration course in which he has been working at the school.

## Urge Care in July 4th Driving

This Fourth of July may see a holiday-starved public roll up the greatest mileage ever recorded on the nation's speedometers in any one weekend, the National Safety Council said today.

More important, the Council fears it will be the deadliest weekend in the country's accident history—unless the emergency is met with emergency caution by everybody.

More than 20,000,000 vehicles will pack the highways during the four-day holiday period, the Council estimated. They will travel more than four billion miles.

Mobilizing to avert the threatened disaster, 150 national organizations are cooperating with the Council in a nationwide Fourth of July campaign to consolidate public and official support behind the slogan "Be Alive on the Fifth!"

In appealing for public cooperation in the campaign, Ned H. Dearborn, president of the Council, said, "I hate to throw cold water on holiday anticipation but we still have the same combination of facts which led the Council before V-J Day to predict the present upsurge in accidental deaths.

"More travel, a long-awaited vacation season in full swing, worn out tires and cars, run-down highways and a carefree attitude that often becomes a careless attitude—all this simply adds up to more tragedy. A prediction can't spoil your holiday, but an accident can."

## Herman's Resort Will Play Host to 500 Sunday

## Victor Fellowship Club to Hold Annual Fishing at Bluff Lake

Finny denizens of the deeps of the Chain O' Lakes are hereby warned to watch their p's and q's on Sunday, June 23, when more than five hundred anglers will leave from Herman's Resort, Bluff Lake, for their annual fishing party.

According to Kurt Buetow, manager of the resort, the Victor Fellowship club has ordered 3000 minnows and 75 cans of anglerworms for use by its members, and has reserved sufficient boats to carry all the sportsmen to the various fishing grounds.

Windup of the days sport will be a chicken dinner at the resort. The Victor Fellowship club is a recreational group, membership of which is composed of employees of The General Electric Corporation of Chicago.

## Reutlinger Seeks Addresses of All Overseas Dead

Plans for return of America's 328,000 war dead include:

Return of the remains to the family for local burial, or in a national cemetery; cremation is also provided.

If the family prefers, the body will be buried in a permanent American military cemetery overseas, or if the veteran was of foreign birth, he may be buried in a private cemetery in his native land.

While first shipments in steel caskets, on partly-banded white ships, will not reach the United States until early in 1947, the government is anxious to immediately locate the widow, parents or other next to kin to ascertain their desires as to return of their veteran.

Service Officer Arthur F. Reutlinger at American Legion Home, Waukegan, Ill., has received instructions from Administrator Homer G. Bradney of the Illinois Veterans Commission to render every assistance in this matter.

The family is requested to bring in their papers relating to the deceased veteran so that the War or Navy Departments may be notified of their correct address.

Bodies of government employees, Red Cross workers, Merchant Marine personnel will also be returned. However, they cannot be buried in military cemeteries in the United States.

## Antioch Future Farmers High in State Contest, Chicago Lamb Show

With a score of 148 points above the standards set up for blue ribbon winners, the Antioch Dairy judging team placed highly at the State Judging contest held at Urbana, Illinois, Wednesday, June 12.

Warren Wells was high point-scorer for the team with a total of 601 points. Logan Lundgren followed with 699, while Harland French scored 535.

The poultry judging team, consisting of Kennedy Huer and Ray Toft, also rated in the blue ribbon class with a total of 77 points above the standard set. Huer was high with a score of 699 points out of a possible 800. Toft scored 624 points.

The fat stock and grain teams did not place among the winners.

The eleven boys were accompanied to the university by their Instructor, C. L. Kutil and C. Lundgren, field superintendent of Ravenglen Farms.

### Wells Winner at Chicago Show

Warren Wells, a sophomore at Antioch Township high school, was also a winner at the Chicago Junior Market Lamb show last Friday when his pen of lambs placed 16th in competition with 45 other pens. His lambs were sold to Swift and Company for 25¢ per pound, 4 1/4¢ higher than the market price for the day. His three lambs weighed 205 pounds.

Top winner for the show was an Elvillie, Illinois, boy, who showed eighteen lambs, winning first place in all classes, and netting over \$1200 in addition to winning the Pillsbury trophy. His first prize lamb was sold for \$1.50 per pound.

### Potato Growers Warned To Watch for Blight

Lake County potato growers were cautioned this week by Farm Adviser Ray T. Nicholas, to watch for the presence of the late-blight disease. During normal season damage from late blight is slight and generally is limited to northern counties, although it has been found in southern central areas.

Cool, wet weather is ideal for the development of the fungus disease, which was responsible for the Irish Potato famine in 1845. M. B. Linn, Assistant professor of plant pathology, University of Illinois College of Agriculture, has said that prolonged rainfall and temperature below 70 degrees may mean a great loss in total potato production unless commercial growers and home gardeners prepare to apply protective sprays of dusts.

Mr. Nicholas said that the disease can be recognized by the irregular, brownish-black water-soaked spots on the leaves. Infected leaves become limp and rotted. During wet weather a grayish, mildewy growth appears on the affected area on the underside of the leaf. Leaf and flower stalks as well as the stem of the plant may show purplish-brown decayed streaks.

An 8-8-100 Bordeaux mixture is recommended for use by commercial growers to control late blight. Entomologists of the Illinois State Natural History Survey recommend that four pounds of calcium arsenate be added to each 100 gallons of spray if it is necessary to control Colorado potato beetles and flea beetles. Two pounds of 50 percent wettable DDT powder added to the Bordeaux mixture may be used in place of the calcium arsenate spray.

Almost equally good are copper-dust and fixed-copper sprays and dusts. A 2 or 3 percent DDT mixture added to the copper-lime would be satisfactory for controlling most potato insects.

Small packages of spray and dust materials are available to the home gardener at seed and farm-supply stores. Directions on the package should be followed closely in using these materials.

Control measures for late blight and other potato disease may be found in Circular 583 "Potato Growing in Illinois," available at the office of the county farm adviser.

### Recreation Training School To be Held at Libertyville

Thursday evening, June 20, from 7 to 10 p. m., Mr. E. H. Regnier, Recreation Specialist from the University of Illinois, will be at the Libertyville High school Gym for a Recreation Training School. He will conduct a lesson on "Recreation for the Family."

Recreation chairmen and leaders of boys and girls 4-H clubs and Home Bureau Units are invited to attend. Two or three older boys and girls from each club, as well as others interested in leading community recreation, are also invited.

## Lions to Elect Officers Monday

Election of officers and amendments to the by-laws are scheduled for consideration at the next meeting of the Antioch Lions club, to be held Monday evening at Hans and Mable's, Loon Lake.

According to "Bud" Arnold, secretary of the club, the meeting will be devoted exclusively to business. The proposed amendments will have to do with changing the fiscal year of the club and provide for the election of officers in January of each year instead of July. Proposed also is an amendment to make the election of an assistant treasurer and an assistant secretary possible.

It is believed that the present officers will be retained until the first of the year, when the regular election will take place.

## Legion Auxiliary To Be Headed by Mrs. Rose Kennedy

### Election of Officers Held Friday; Memorial Service Held at Meeting

Rose Kennedy was elected president of the Antioch Post American Legion Auxiliary at an election of officers held at the Legion home last Friday evening. Other officers elected to serve during the coming year at the meeting include Deborah Van Patten, first vice-president; Louise Kaufmann, second vice-president; Sadie Keeney, treasurer; Carolyn Horan, secretary; Lucille Hyman, historian; Nellie Hanke, chaplain; Pearl Anderson, Sgt. at Arms.

Mrs. Kennedy succeeds Mrs. Maud Johnson as president. The entire slate of officers were nominated by the nominating committee and were unanimously elected.

A memorial service in memory of deceased members was held after the election and business meeting. Mrs. Helen Carlson sang several solos as part of the program.

### Members Entertain at Downey

Fourteen members of the group entertained the thirty women patients at Downey Hospital on Tuesday. Refreshments were served and a musical program was furnished by Mrs. A. H. Kaufmann and Mrs. E. J. Hays. The auxiliary donated 355 magazines, book matches, jig saw puzzles, cigarettes and other gifts to the patients.

Those attending were: Eva Burlette, Maud Johnson, Ann Heath, Louise Kaufmann, Sine Laursen, Pearl Anderson, Tillie Miller, Sadie Keeney, Jeanette Keeney, Deborah Van Patten, Agnes Hills, Lucy Himes, Nellie Hanke, Elsie Hays.

## Bankers Propose a Five Day Week

A proposal to place banks in Illinois on a year-round five-day work week was approved by the legislative committee of the Illinois Bankers Association meeting at the Palmer House yesterday.

The committee's resolution will be transmitted to the association's governing council for concurrence on Friday and if approved will be sent to the General Assembly of the State of Illinois for enactment into the state's laws. If passed in present form the law would be binding upon all banks operating within the state, regardless of whether they are state or federally chartered.

### Saturday Would Be Holiday

Year-round Saturday closing would be accomplished by re-classifying Saturday as a holiday. Under the law the banks are required to be open on "business days" and to close on "holidays."

To prevent too long a close-down of the banking institutions when certain legal holidays occur, the association has proposed certain amendments to the present law which would enable legal observance of some holidays on a Sunday.

### Some Three-Day Closings

Three-day closing would be permitted for the observance of New Year's Day, Memorial Day, the Fourth of July, Labor Day and Christmas.

Other holidays such as Lincoln's birthday, would be observed on the day they fell provided it was a Tuesday, Wednesday or a Thursday. But if such holidays fell on a Friday or a Monday their legal observance would be transferred to Sunday.

Bobbie and Billie Wilton are spending two weeks at the Y. M. C. A. Camp Cutten at Lake Villa.

## C. L. Kutil Attends U. of I. Summer Meet

Vocational Agriculture Instructor C. L. Kutil of Antioch Township high school was complimented for his fine work during the year at the Summer conference of the Illinois Association of Vocational agriculture teachers, being held this week at the University of Illinois.

Kutil has served as chairman of the Soils and Crops section of the University advisory board, and it was for his work in this line as well as other work done in connection with seeking a betterment in curricular revision at the university, that he was complimented by university officials.

## Cost Hikes in May and June Equal All 1943

Bread prices were increased one cent a loaf today as government officials estimated that the cost of living will go up as much in May and June as it did in the whole year of 1943.

The penny increase in bread prices includes all types except rye. Prices also were boosted one cent a dozen on bread-type rolls.

OPA said the price increases were designed to assure consumers of an adequate supply. The action was authorized, it said, following an investigation of cost data covering the entire baking industry.

Government officials said that incomplete figures compiled by the bureau of labor statistics indicate that the cost of living will increase two per cent during May and June. The increase compares with a two per cent boost registered by the bureau during 1943.

### Picture "Alarming"

One official described the whole price picture as "alarming."

"It's time we stopped talking about inflation as if it were just around the corner," he said. "To all intents and purposes, inflation is here."

He explained that price increases on milk, butter and cheese have boosted living costs 8-10 of 1 per cent. The bread price increase, he estimated, will boost it another 1/4 of 1 per cent. This will mean, he said, that the cost of living will be close to 33 per cent higher than in 1939.

### Clothing on Rise

BLS officials said that rent costs in March went up "slightly" for the first time since December, 1944. They added that men's clothing prices, with the exception of shorts, have been climbing steadily since the first of the year.

They estimated that wool suits now cost the average shopper five per cent more than they did last December. Shirt prices have gone up 12 per cent and men's pajamas have increased 26 per cent since December.

It was pointed out that the current rise in the cost of living did not get under way until March. The cost of living index was unchanged in January, went down slightly in February and then climbed 1/2 of 1 per cent in March and April.

## A Ceiling on Red Tape

Regardless of whether the Emergency Price Control Act is renewed or abandoned, something must be done to put a ceiling on the red tape issuing from OPA. The variety trade, which accounts for a tremendous volume of retail sales in the United States, must abide by thousands of confusing orders. Following is a summation of them as of March 1, 1946.

First of all, there is the General Maximum Price Regulation to which there have been 66 amendments. There are 15 supplementary regulations under the GMPR and 390 amendments thereto affecting goods and services sold through the variety trade. There is a Maximum Import Regulation and 9 amendments all of which are potentially of interest to the variety trade. There are 268 numbered price regulations with 2,506 amendments covering goods and services sold through the variety trade. There are 4 food product regulations that affect the thousands of variety stores that have soda fountains, luncheonettes and food departments, and these 4 food regulations now include 23 supplements with 97 amendments. There are 3 procedural regulations with 12 amendments which variety stores as well as other retailers and business concerns must observe. There are 39 supplementary orders with 131 amendments that directly cover goods and services sold through the variety trade. There are 3 general orders with 6 amendments. The total of these regulations, orders, amendments and interpretations is 3,576.

But in addition to these there have also been 11,848 individual orders of which half or more probably two-thirds, affect either the purchase costs or the selling prices, or both, of goods handled in variety stores.

Finally, the OPA has issued and is issuing a large number of individual orders that are not even printed in the Federal Register, known as letter orders. These orders authorize prices in individual cases of manufacturers, wholesalers and retailers. There have been

hundreds, perhaps thousands, of them. The variety trade is concerned with every one of these letter orders that fixes a price for one of its members, its sources of supply or its competitors.

The variety trade which was affected by a mere 800 regulations, orders, amendments and interpretations back in April, 1944, was, on March 1, 1946, affected by 3,570 general regulations, orders, amendments and interpretations. If one may include the individual orders listed in the Federal Register, not to mention the letter orders issued to individual concerns that are not even printed in the Federal Register, the present number of regulations, orders, amendments and official interpretations that do concern the variety trade is in excess of 8,000, ten times the number reported in 1944.

## A Blazing Nation

Fires in the United States are now taking a toll of 10,000 lives yearly in the most horrible kind of death—burning.

The nation will suffer the largest fire loss in history in 1946, says Frank A. Christensen, President of the National Board of Fire Underwriters, unless united effort is made nationally to check excessive burning which is due largely to carelessness.

"The appalling rate of increase in our national fire losses calls for the attention of everyone interested in the general social and economic welfare of our country. If the present rate goes on through 1946, the toll of our real wealth, much of it productive wealth which our people can ill afford to lose today, will surely pass \$600,000,000. That will make 1946 the worst year of reckless burning our nation has ever known."

"Equally shocking and appalling is loss of life. A few months ago newspapers and radio news periods had extensive reports of a 'Blazing Sunday,' on which 26 lives were lost in a few spectacular fires. That seemed unusual but it was not. An average of 27 lives are lost in fires every day."

Too many people still feel that fire prevention is something that the other fellow should practice. The fire loss will never be controlled until every individual becomes conscious that fire is dangerous and helps eliminate fire hazards.

Mr. Christensen, in asking public cooperation in fire prevention, is merely asking for the people to help save their own lives and their own property. Fire insurance can replace some property but not lives. It can never cover many of the effects of fire such as lost jobs, irreplaceable articles, the tragedy of being without a home, not to mention articles of sentimental value.

New Light Polarizer Seen

BETTER LIVING CONDITIONS  
FOR COWS MEAN EASIER,  
MORE PROFITABLE FARMING  
FOR YOU!

AUTOMATIC BARN CLEANER  
saves hundreds of hours of back-breaking work in removing manure.

DRINKING FOUNTAINS  
put more milk in the pail—more meat on animals—no work to you!

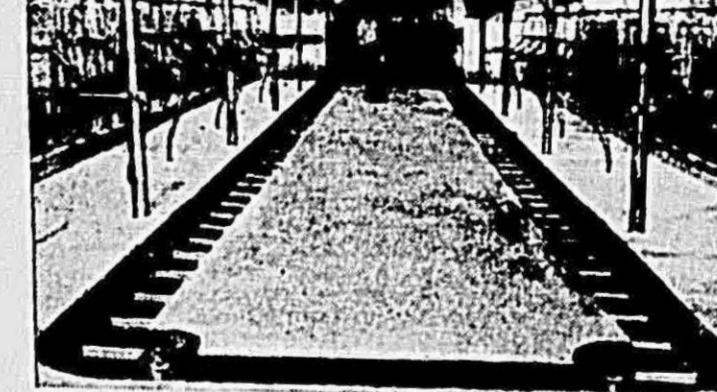

You'll be pleased, and your cows will, too, when you've installed an automatic barn cleaner and drinking fountains in the dairy barn.

With an Automatic Barn Cleaner you can banish barn drudgery and clean up the dirtiest job on the farm in a matter of minutes. Just a flip of a switch instantly starts the manure moving through both gutters, up and outside into the spreader. No shoveling...no watching—it's as easy as that! And here's more good news: Barn Cleaners can be installed in either old or new barns.

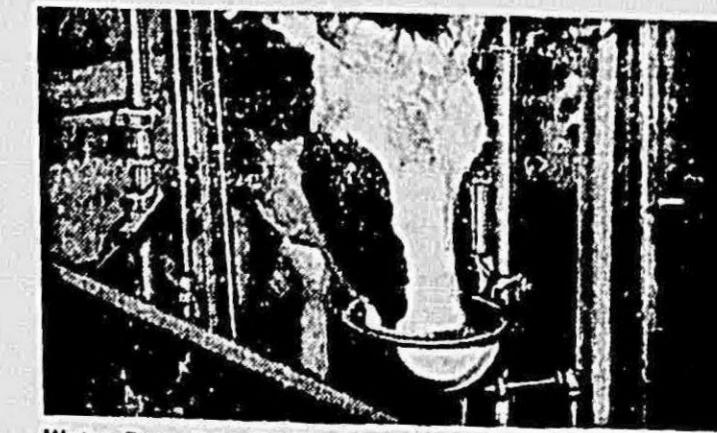

With Water Cups in your barn you can keep a constant supply of clean, fresh water before the cows at all times...low-cost water that fattens animals faster and ups milk yields. For only a few cents a day an electric running water system will perform dozens of other farm chores, will eliminate the daily grind of pumping and bucket-lugging.

Get All The Facts on these work-saving, profit-building electric helpers from your electric company's Farm Representative or from your local dealer. Now—when barns are used less frequently—is the most opportune time to add these improvements you've been waiting for so long!

Still Climbing! Electricity is now available to 91% of the farms in the area served by this company

Easy Does It! Tested and proven Automatic Barn Cleaner routes shovel-work...cleans gutters quickly and efficiently...gives years of dependable service.

Water Runs Into Profits when handy water cups provide cows with the gallons and gallons of thirst-quencher they need to step up milk production as much as 20%.

**MILLBURN**

Members of the Millburn Masonic Lodge, their families and friends are to be guests at the eleven o'clock church service, June 23. The offering will be added to the Masonic building fund.

Dr. and Mrs. Howell D. Davis, of Oak Park, were dinner guests at the W. C. Upton home Sunday. Dr. Davis, Midwest Regional Secretary of the Missions Council, had charge of the church services in the absence of Rev. Messersmith.

Members of the Couples club and their families enjoyed a picnic dinner at the Y. M. C. A. camp at Hastings' Lake Sunday, with Mr. and Mrs. Arthur Kiegler and Mr. and Mrs. Don Holm in charge.

Lyman and Beryl Bonner and Alan Thain, students at University of Illinois, are at their respective homes for the summer vacation.

**Growing Older**

America is becoming a nation of older people. In 1870 half the population was under age 20. Today only a third of all of us are minors. Again, in 1870, only 3 per cent of the people were over age 65. Now 7 per cent are among the aged.

## ANNOUNCE MARRIAGE OF DAUGHTER

Mr. and Mrs. Leo Buchtka announce the marriage of their daughter, Barbara to Mr. Peter Jeeveleus, son of Mr. and Mrs. Steve Jeeveleus, on Wednesday, March twentieth, nineteen hundred forty six, at the Methodist parsonage. The Rev. Warren C. Henslee officiated. The couple are making their home at 1911 Wallace Avenue, North Chicago.

## ANTIOCH ACES HOLD MEETING TUESDAY

The Antioch Aces met at the home of their leader, Mrs. Ethel Anderson, Tuesday. Officers were elected at this meeting, Margaret Anderson, president and Adele Renter, secretary and treasurer; and Marge Haling was appointed recreation chairman. At the next meeting which is to be held June 23, Misses Charlen Nelson and Nancy Thompson will give a demonstration and discussion on how to prepare and serve a dessert and salad. Mary Lou Wilton will give the lesson on "How to Conserve Shoes."

## ANNOUNCE ENGAGEMENT OF DAUGHTER

Mr. and Mrs. Clarence Nelson, Rt. 2, Kenosha, Wisconsin, have announced the engagement of their daughter, Dorothy Ann, to Jack Spaay, C. P. O., son of Mr. and Mrs. Herman Spaay, of Bristol, Wis. C. P. O. Spaay has served in the U. S. Navy for the past five years and a half years and fifty-four months served overseas. He expects to be discharged in November.

Antioch Rebekah Lodge held its regular meeting at the O. O. F. hall Wednesday evening. Fourteen members and four visitors were present. Following the regular business session an impressive memorial service, honoring the departed members was held.

A social hour was enjoyed and strawberry short cake and coffee was served.

## ST. PETER'S TO SPONSOR CARD PARTY

Members of St. Peter's Altar and Rosary Society are sponsoring a card and bunco party at the parish hall, Thursday, June 27, at 8 p. m. Donation 50c. Refreshments and prizes.

## MISS ADAMS TO SERVE DESSERT LUNCHEON AND CARDS

Miss Ethel Adams will be hostess at a dessert luncheon and card party at her home on Hardin Street, Wednesday, June 26, at one thirty o'clock. Benefit St. Ignatius Guild.

Past Matrons of the O. E. S. plan to hold a meeting at the home of Mrs. Barney Trieger this evening. Mrs. O. S. Klass will be assistant hostess.

CHEVROLET DEALER CAR-SERVICE IS YOUR BEST CAR-SAVER

Make your vacation trip—and all trips—safely!

FOR LONGER CAR LIFE AND SAFER DRIVING—WE RECOMMEND THESE SERVICE OPERATIONS . . .  
 • Check steering and wheel alignment  
 • Test battery and electrical system  
 • "De-slug" car engine  
 • Service clutch, brakes, transmission, rear axle  
 • Lubricate throughout  
 • Tune motor

—keep it serving safely and dependably until you get delivery of your new Chevrolet

Today, more than ever before, it's important to keep your car "alive"—to keep it serving you safely and dependably—until you can get delivery of a new Chevrolet! And the best way to do that is to come to us for skilled, reliable car-saving service, now and at regular intervals: Our expert mechanics—working with modern tools, genuine parts, quality materials—can add months and miles to the life of your car. Remember—we're members of America's foremost automotive service organization . . . so come in, today!

Mrs. Sidney Kaiser, of Palmer House, Chicago, and who has spent the winter months in California, was calling on Antioch friends Wednesday.

Ray Lasco, son of William Lasco, received his discharge June 16 after serving in the army for the past two years. Seventeen months of that time was served overseas.

The Antioch Acorns held their fourth meeting at the home of Mrs. W. Terry Tuesday afternoon. Parts were given out for the play they plan to sponsor for the year, entitled "Youth adds a Dash of Pepper."

Miss Ella Ryan, of Ransom, Illinois, spent Monday at the home of Mr. and Mrs. D. Berkheiser.

The Rev. and Mrs. Hugh McWhorter and family, of Downers Grove, were weekend guests of Dr. and Mrs. E. J. Lutterman, at their home on South Main street.

Miss Lucille Rhymer returned home Sunday, from the University of Illinois, where she is majoring in music. Miss Rhymer was initiated into Sigma Alpha Iota, the Women's National Music Honorary Sorority June 11. She is also an active member of Sigma Kappa Sorority.

Postmaster and Mrs. R. I. Kufalk, son and daughter, Verna Mae and Robert, returned home Monday from a ten day vacation trip to Iowa, where they visited relatives and friends.

**MILLBURN LADIES' AID**

**101st ANNIVERSARY TEA**  
The Millburn Ladies' Aid is celebrating the 101st anniversary of its founding with a tea on Wednesday, June 26, from 2 to 4 in the afternoon and from 7 to 9 in the evening, at the church. The program will feature a dramatization of the Second Annual Meeting of the Millburn Sewing Circle. Characters will include members who are descendants of the founders and others who have been active for a number of years. The history of the organization, music, and the honoring of past presidents will also be included. Mrs. Carl H. Anderson, present president and general chairman of the anniversary tea committee, will preside at the program.

Following the program tea will be served by veteran members of the Society. An exhibit of pictures and relics of the founders will be displayed in the church parlor.

Friends of the Millburn church are cordially invited to attend either the afternoon or evening celebration.

## WILMOT GIRL PRETTY BRIDE

IN CHURCH RITES  
Miss Doris Ella Neumann, daughter of Mr. and Mrs. Gust Neumann, Wilmot, repeated nuptial vows Saturday afternoon with Edwin John Parke, Jr., of Barrington, Ill. The double ring ceremony was performed at the Peace Lutheran church by the Rev. R. P. Otto.

Preceeded up the aisle by five-year old Gloria Schneider, Twin Lakes, the bride wore white nylon organdy made with a two yard lace trimmed train. Her silk net veil was finger tip length held in place by a heart-shaped lace crown. She carried a shower bouquet of white gladiolas.

A cousin of the bride, Miss Phyllis Elverman, wore pale blue marquisette and matching blusher as maid of honor, with an arm bouquet of yellow glads. There were three bridesmaids, Miss Dolores Neumann, Racine; Miss Helen Parke and Mrs. De Monte Boker. Their dresses matched the maid of honor in style and color, and they carried peach glads.

The little flower girl wore a dress made exactly like the bride's including the train and veil. She carried a mixed bouquet. Barton Riedel, of Antioch, also five years old, was ring-bearer, dressed in white like the bridegroom and carried both rings on a white satin pillow.

The bride's father, Gust Neumann, gave her in marriage. Stanley Maciejewski, Barrington, Ill., was best man and ushers were Robert Overhue, Barrington, Merlin and Robert Jahns, Twin Lakes. Miss Darlene Schenning, provided organ music and Calvin Miller, of Barrington, was soloist.

Following a reception for 150 relatives and friends at the home of the bride's parents, Mr. and Mrs. Parke left on a two weeks' trip through western states. They will live at 110 E. Lake St., Barrington, upon return.

## COUNTY 4-H DEMONSTRATION SCHOOL HELD AT GURNEE

Leaders and members of the Lake County Girls 4-H clubs met at the Warren High school in Gurnee, Wednesday, the 12th of June, to attend a Demonstration Methods school.

The meeting was conducted by Mrs. Helen Volk, Lake County Home Adviser, who introduced Mrs. Elsie Butler, 4-H Adviser for Northern Illinois. Mrs. Butler explained to the girls that a demonstration is nothing more than showing and telling your club group how to perform some task or skill.

Two demonstrations were given, one on "How to Sew on a Button," by Martha Fink of the Volo Busy Bees; and the other "Putting on an Effective Style Show" by Ruth Bell, Eileen Flagg, Bernadine Herr, Joanne Duba, and Mrs. Clarence Flagg of the Little Women of Libertyville. Following these demonstrations, Mrs. Butler and Mrs. Volk discussed them with the audience and gave some additional pointers to be used at their own club meetings.

A movie, entitled "400 Years in 4 Minutes" was shown to the group which provided further information concerning the giving of a food demonstration.

The purpose of this Demonstration School was to train the leaders and girls how to give more effective demonstrations at their club meetings and, also, at the County 4-H Demonstration Contest, to be held at the County Show, August 7, at Warren High School.

## WILMOT

The annual business meeting and election of officers of the Union Free high school district will be held at the school next Monday. Election from 3:00 p. m. to 8:00 p. m. Business meeting following.

Mr. and Mrs. Harvey Brown accompanied by Mr. and Mrs. Stanley Brown, from McHenry, spent Sunday at Deerfield with Mr. and Mrs. Henry Skodras.

Mrs. Herbert Sarbacker is at Zion with her parents, Mr. and Mrs. John West, for the week.

Mrs. Bertha Harms, John Grabow and Mr. and Mrs. Herman Frank and children are at Yetter, Iowa, for several days.

Mr. and Mrs. Oliver Balza and children, Kenosha, spent Sunday with Mr. and Mrs. Herman Frank.

Jean Ballantyne, elder daughter of Mr. and Mrs. Madison Ballantyne of Lead, S. Dakota, was married Monday at St. Mathew's church in Laramie, Wyoming, to John Gaylord Weber, of Cheyenne. Mrs. Ballantyne is the former Sadie Boulden and well known throughout the community.

Mr. and Mrs. George Higgins attended a Swift family reunion at Fox Park on Sunday. Sixty were in attendance.

Mr. and Mrs. Ralph Christoffersen and daughter, Karen, Madison, were over night guests at Higgins' on Saturday. Karen remained for a visit of several days.

Sunday school at Peace Lutheran church has been discontinued for the summer months. Next Sunday there will be German services, with communion at 10:00 a. m. and English services at 7:30 p. m.

The Rev. Rudolf Otto of the Peace Lutheran church will marry Shirley Jeffries, niece of Mr. and Mrs. Robert Jeffries and Lawrence Worcester at the church at 2:30 p. m., Saturday. A reception for relatives and friends will be held at the church hall.

Mrs. Clayton Udell, of Yakima, Washington, is making an extended stay with Mrs. Iva Kimball.
